

# ESPI AT BERLIN INTERNATIONAL AIR SHOW, ILA 2026

9-11 June 2026

The European Space Policy Institute (ESPI) will take part in the Berlin International Airshow from 9-12 June 2026. Director of ESPI, H. Ludwig Moeller, together with senior experts from the Institute, will attend the Airshow and be available for on-site meetings and media interviews.

Under this year's slogan 'Space4Future', the ILA Space Pavilion will highlight the growing importance of space for the future of our society.
